We cannot guarantee any tree, shrubs and plants sold by us, other than that they are true to name and free from any disease, and hold ourselves prepared to replace, on proper proof, all that may prove to be otherwise. We do not give any warranty, express or implied, in respect of them. Any and all such goods are sold upon the express condition and understanding that in case any of them prove to be untrue to name, unhealthy or otherwise defective, we shall not be held responsible for a greater amount than the original price of the goods. In no case do we assume any responsibility for safety of the stock after shipment, except for our own mistake.
